Witness #1 Name Phone Number Address Email

Accident Checklist

- Get medical help for anyone injured.
- Exchange information with all drivers.
- Get contact information for passengers and witnesses.
- Take photos of the scene and damage with a camera/iPhone.
- Sketch the accident.
- ONLY discuss the accident with police, NOT others involved.
- Talk to a qualified auto accident lawyer in your area.

Use a service like Avvo.com, to research trustworthy lawyers.
